# Adél Tancsik

- Full Stack Web Developer -

My passion about technology made me grow fast from Software Tester to Software Developer. Currently, looking for opportunities where I can use my collaboration and communication skills as a Web Developer in The Hague area.

WORK EXPERIENCE

Full-stack Developer Trainee

Codaisseur

10/2019 – 12/2019   *Amsterdam, Netherlands*

#1 Code Academy in the Netherlands • 11-week • full-time

- Learning full-stack, modern web development, including JavaScript (ES6), React.js, Redux, HTML5, CSS3, REST APIs, PostgreSQL, Express, NodeJS, and how to build cutting edge web applications using popular frameworks and libraries.
- Completing individual and team projects - using SCRUM methodology, git and GitHub - with deadlines and quality assessments.
- Only 35% of the applicants are accepted and 70% of them graduate due to the intensity and difficulty of the program.

Freelance Software Tester (Part-time)

uTest

09/2018 – 08/2019   *The Hague, Netherlands*

uTest is an online crowdtesting community.

- Within the top 50% of Rated Testers by achieving a "Proven" rate within the community.
- Testing software (websites, mobile applications) and reporting UX bugs (Functional, Visual, Content, Performance, Crash).

Physiotherapist

DAVID Health Solutions Ltd. / DAVID Gerincklinika

08/2017 – 06/2018   *Budapest, Hungary*

- Holding individual physiotherapy sessions
- Training and supervising new colleagues
- Providing customer service
